BEGINNER LEVEL

Your child will enjoy our fun and fully immersive French classes tailored to its age group and abilities. Awakening kids' or teenagers' interests and imagination, young learners will study French through playful activities and will build a solid foundation in the four core areas: speaking, reading, writing and listening... He/she will also learn strategies to become an independent French language learner.

BEGINNER 2

Suitable if you've studied French before and can introduce yourself and talk about what you like and dislike. You are an existing AF students in level T103, or you have been learning French in high school for one year, this intensive course will help you build on an initial basic competence in the language. The lessons include whole class activities and pair or small group work, role-play, responding to short texts and dialogues and watching video clips. Through a variety of interactive activities, you will embark on a voyage of discovering the French language and culture. The main objective is to develop confidence in oral and written French and learn basic communication skills within an immersive environment.
